Re: Case No.: 1:21-cv-10878-AT-JLC Goodman v Bouzy et al

April 7, 2023

Dear Judge Torres,

I respectfully request that you take additional notice of the urgent need to permanently enjoin Mr. Sweigert from cyber stalking and harassing me. I have reported him to law enforcement many times. The NY FBI, Detroit FBI, Philadelphia FBI, Columbia, SC FBI, NYPD, Detroit PD, Philadelphia PD all have declined to take action. Virtually every day for the past six years, Mr. Sweigert has focused his attention on cyberstalking and harassing me in any way he can muster.

As I write this, today is my birthday, a fact I ordinarily would not share, except Mr. Sweigert has chosen to focus on this as he intensifies his harassment with multiple irrelevant emails and malicious actions. He claims these are “privileged communications”, but that is a transparent attempt to disguise his maniacal cyber harassment as litigation.

Mr. Sweigert sent three emails today on April 7, 2023, noting that it is my birthday, and having no legitimate purpose in this litigation at this time or in this manner, to recipients at the Rochester, MN police department. **(EXHIBIT A)**

In these emails, Mr. Sweigert attributes several claims to me that I never made and attempts to compel me to present evidence of Peter Smith’s murder. Evidence related to my claims about Peter Smith’s death will properly come to light during discovery in this matter

should it proceed. Evidence I have already placed in the public domain contradicts claims made by Benjamin Wittes in this case. I believe Sweigert has calculated his actions to support and defend Wittes in the same way the initial matter that gave rise to this case was intended to.

Christopher Bouzy and David Sweigert both use cyber harassment as a deterrent. Rather than challenge my facts and evidence, these defendants rely on lawfare and false claims to police and courts. Mr. Sweigert has demonstrated a pattern and practice of making false statements to law enforcement and helping others to do so. These false statements and malicious actions are specifically calculated to create legal complications and other dangers for me. After Jankowicz' false claims resulted in an order disallowing me to possess a firearm, Sweigert posted tweets ensuring his network of malicious Twitter followers knew I was unarmed. **(EXHIBIT B)**

Shortly after that, I was approached on the street by strangers who seemed to know who I was. One of them asked "How is George?" apparently referring to George Webb Sweigert. The following day David Sweigert published a tweet claiming these were "process servers" but neither of them attempted to serve me with anything. **(EXHIBIT C)**

Mr. Sweigert's behavior is beyond the pale, and frankly unbearable. I pray the Court will consider the full scope of its capability to compel Mr. Sweigert to behave like a normal litigant and cease and desist from his persistent malicious harassment. His psychotic obsession with me is deeply troubling. Law enforcements' refusal to intervene is only more so. Please, your honor, please take some reasonable action to compel Mr. Sweigert to curtail his insane behavior.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'J. Goodman', with a stylized flourish at the end.

Jason Goodman

Well,

The State law of Minnesota allows the request.

At least I never discussed having 500 naked photos of myself on my laptop with a 15 minute video of myself masturbating like Jason Goodman.

The police can form their own opinion if Jason Goodman is a sex pervert.

Jason Goodman proclaimed he had new evidence in this murder investigation. He does not.

PATREON is culpable.

Best,

To all recipients of this email. The sender, David George Sweigert using the email address [spoliation-notice@mailbox.org](mailto:spoliation-notice@mailbox.org) has no legal authority to request this information or to compel anyone to provide it. Sweigert is a serial harasser and believed to be mentally ill. He has been cyber stalking me for more than six years.

He has made numerous public statements about his family history of mental illness and I believe he is a danger to my safety. [https://vk.com/video731682021\\_456239020](https://vk.com/video731682021_456239020)

You should not cooperate with him unless you are compelled to do so by court order or other legitimately authorized means.

Pursuant to the Minnesota Government Data Practices Act, the undersigned hereby requests the following records:

Any and all records, reports, and documents relating to Peter W. Smith, who was found dead by the Rochester Police Department in a Rochester, Minnesota hotel room on May 14, 2017.

The undersigned further requests copies of any and all documents provided to your police department by:
